Academics

Middle School Academic Philosophy

The BBA program is designed to provide an excellent foundation in academic work that is key to success in both high school and college preparation. It also addresses the needs of the growing adolescent both in and out of class through a variety of co-curricular opportunities ranging from chapels, advisory groups, social events, clubs, athletics, and seminars, which provide constant attention to the child as a whole.

The academic program that follows is central to BBA's plan for helping students grow. The academic program is foundational to a student's continued preparation for high school, college, and life. It is the core component of our work in high school. It is our desire to both challenge students and see them succeed, to push and support them as they learn and grow in academic pursuits.

Middle School Curriculum

The curriculum for middle school has been structured so that the students will receive training in all academic subjects required by the state of North Carolina. Subjects are taught with a focus on developing critical thinking skills and a Biblical worldview. The middle school and high school use a variety of resources including BJU Press and Summit Ministries.

Biblical and Core Values Integration

Berean Baptist Academy is firm in its belief that the purpose of education is to point students to God. Therefore, all classes, regardless of grade level, integrate scripture, spiritual principles, and our core values to promote our vision of G.R.A.D.S. Therefore, character expectations, social interactions, and classroom discussions are designed to promote and establish a Biblical worldview.

Books and Equipment

In most courses, Berean Baptist Academy provides a printed textbook to students that are not consumable and must be returned at the end of the school year in reasonable condition from when it was assigned. Severely damaged books or unusable books will be charged a fee equal to the cost of replacement or repair. All English novels belong to the school but may be taken from the classroom for homework purposes. Damage fees also apply to English novels. Parents may purchase e-books for use at home, but these will not be allowed in classrooms.

While BBA provides Chromebooks on campus, the academy expects all students in grades 5-6 to have access to an operational computer that meets the following requirements:

- Internet connection
- Personal Virus Protection
- BBA Email Account (Provided by the Academy through Google Education)
- Google Suits (Provided by the Academy through Google Education)

Students are financially liable for their own computer systems and any printed books that belong to the school.

Standardized Testing

Berean Baptist Academy administers several achievement tests to various grades throughout the year. Currently, all grades, first and above, take the Iowa Basic Skills Test and Cognitive Abilities Test each spring. This test satisfies the state standard for demonstrable progression. The results are made available in the students' end of year reports. Additionally, eighth graders take the Preliminary SAT 8/9.

Schedules

Individual student schedules are available at a communicated date in July.

All classes meet for an entire year and some elective classes may not be dropped after the initial "Schedule Change Request" period of the first semester.

Schedule Change Request

While we attempt to accommodate needed changes up to two weeks into the semester, there are times when a change is not possible (for example, if a teacher was hired due to a number of requests for a class or if a change adversely affects a class, making it too small or too large). Please discuss carefully your elective options and goals when registering for electives. It is important to make good requests in case we cannot move a student into or out of a class.

After the two-week drop/add time, students will not be allowed to change classes unless new and unforeseen factors develop that necessitate a change. All students requesting a change must complete a Schedule Change Request Form for consideration and obtain administrative approval. It is required that the parent and student communicate with the teacher of both the class to be added and the class to be dropped as part of the schedule change process. All requests must have all the required signatures to be considered.

Math Placement (Junior High)

Math placement in any given year does not lock a student on a “track” or control the subject choices. It is not unusual to switch a student to a different mathematics course if another serves him/her better. Because of the sequential nature of math, we gather input from several sources in recommending which math class is best for a particular student.

We consider the student’s previous mathematics grade, overall academic maturation, standardized test scores, teacher recommendation, and parent/student request. The learning experience is optimized when students are appropriately placed, and we do our best to ensure this. We encourage parents to speak with the math teacher if there are any questions or concerns about which is the appropriate course.

Required Courses

The Middle School requires students to take all state mandated core courses and some elective courses.

Electives/Clubs

Elective (or club) courses are offered in the middle school based on teacher availability. When available, families will be provided with the opportunity to request electives (or clubs) in July for the upcoming school year. Middle school clubs are scheduled on a rotation for each quarter.

Grading Policies

Middle School Semester Exams

Middle School students have semester exams at the end of each semester, both in December and May. The schedule is very similar to the high school exam schedule and is announced during the middle of each semester. Students do not attend regular classes on exam days, but rather come only to take the exams. Semester exams are given in mathematics, science, English, history, and Biblical worldview. These exams count as a test grade and are figured into the quarter grade.

Averaging Grades

Middle school grade semester averages use the following formula:
 $(\text{Quarter 1 Average} + \text{Quarter 2 Average}) / 2 = \text{Semester Grade}$

Final Course Grade

BBA uses the following formula to calculate final grades:
 $(\text{Semester 1 Average} + \text{Semester 2 Average}) / 2 = \text{Final Grade}$

Weighted Grading Categories

All assignments are divided into two categories Homework/Minor Assignments and Major/Benchmark Assignments. Each category is averaged and assigned a percentage of the quarter grade. Homework and minor assignments will count as 40% of the quarter grade. Major and benchmark assignments will count as 60% of the quarter grade.

Absent Work Policy

It is the student's responsibility to arrange for missed schoolwork, not the teacher's responsibility. If the student is aware in advance of an absence, he/she should plan with the teacher prior to the day of the absence. A student has the number of days absent plus one calendar day to complete make up work. If it is not completed within the designated time, the student will normally be given a zero.

Other types of work, like quizzes or labs, also may not lend themselves to make-up work. Daily assignments may be picked up in the school office at the end of the school day if the parent has called in advance to request the work. Most school assignments can easily be found on FACTS SIS (RenWeb).

Late Homework and Minor Assignments Penalty

Homework and minor assignments are those assignments that are routinely assigned and build toward larger major assignments or examinations. These assignments are not weighted as heavily within the grading policy but are an essential element to student development. The assignments are due at the beginning of a class session. Homework/minor assignments are expected to be turned in on time. Failure to meet this expectation will result in the following grading penalty:

- 1st class after due date = 25% off
- 2nd class after due date = ZERO

Late Major and Benchmark Assignments Penalty

Major assignments are defined as assignments that reflect mastery of a state standard, expected student outcome, or unit objective. These assignments are critical to demonstrating course mastery and, therefore, weigh more in the grading policy of the academy. Major assignments may include unit examinations, chapter tests, papers, and projects.

Benchmark assignments are defined as an assignment that is required to receive course credit. These types of assignments would include quarter exams, and specially designated projects or papers that demonstrate mastery of several state standards, expected student outcomes, and overall course objectives. Benchmark assignments must be completed before course credit will be issued. Benchmark assignments are designated at the beginning of the school year.

Major and benchmark assignments are expected to be turned in on time. Failure to meet this expectation will result in the following grading penalty per calendar day (includes weekends). Due to the inclusion of weekends in the penalty calculation, no major assignment or benchmark will be due on the final day of an academic week.

- 1st Calendar Day — 15-points
- 2nd Calendar Day — 30-points
- 3rd Calendar Day — 45-points
- 4th Calendar Day — 60-points
- 5th Calendar Day — 75-points
- 8th Calendar Day — 90-points
- 9th Calendar Day — ZERO (Benchmarks must still be completed to receive course credit)

Progress Reports

Berean Baptist Academy issues grade reports weekly via the Schoology system. The database emails a weekly progress report to parents. Grades are updated within 7 days for “on-time” assignment submissions. Late work grade corrections may exceed the 7-day window. Quarterly report cards will be sent home in electronic format within one week of the end of the quarter.

Deficiency Notices

Berean Baptist Academy issues a nightly email at 6:00 pm via the FACTS SIS database. This email is sent to parents whose student(s) did not turn-in an assignment. This email will serve as the notification of a missing assignment, and it is the responsibility of the parent to track this email.

Academic Probation

A student with two or more “Ds” (below 70%) at quarter or semester’s end will be placed on academic probation. Academic probation will include a closer scrutiny of and accountability toward student achievement. BBA desires to partner with families of students who struggle in academics. If a student is placed on academic probation, it is expected that parental involvement, along with other faculty resources be jointly used to help the struggling student achieve to the best of his/her ability. The administration may place students on individualized plans of action (contract) if necessary, to help ensure progress. Progress will be monitored, and if, at the conclusion of a semester the student has not shown improvement, the administration will determine if dismissal will take place.

Summer School

Any student who fails to achieve a final minimum grade of “D-“ in a class will need to complete summer school. It is possible for a student to fail one semester but pass the second semester without achieving a “D-“ as the overall grade. In such instances, the student must complete summer school for the failed semester. Summer school can only be used to remediate two classes.

Repeating A Grade

Any student who fails to achieve a “D-“ in three or more required classes may be allowed, under certain circumstances, to return to the academy the next school year. However, that student will be required to repeat the last attempted grade level.

Grading Scale

Effective 2019-2020, Berean Baptist Academy, like many schools, is returning to a tiered grading scale that matches the College Board’s recommended grading scale. The scale will still operate on the 10-point system but will subcategorize letter grades within the 10- point scope. The purpose of this change is to present to college admissions counselors a more accurate reflection of student academic achievement. This scale allows for the tiered grade point average (GPA) as outlined by the College Board and matches the ACT sliding scale for expected student success on the ACT College Entrance Exam. Effective with the Class of 2023 (Freshmen of 2019-2020), the calculation of Grade Point Averages will be tiered according to the tiered grading scale.

Letter Grade	Numeric Range	Standard GPA	Honors GPA	AP GPA
A+	97-100	4.0	4.5	5.0
A	93-96	4.0	4.5	5.0
A-	90-92	3.7	4.2	4.7
B+	87-89	3.3	3.8	4.3
B	83-86	3.0	3.5	4.0
B-	80-82	2.7	3.2	3.7
C+	77-79	2.3	2.8	3.3
C	73-76	2.0	2.5	3.0
C-	72-70	1.7	2.2	2.7
D+	67-69	1.3	1.8	2.3
D	63-66	1.0	1.5	2.0
D-	62-60	0.7	1.2	1.7
F	00-59	0.0	0.0	0.0

Honor Roll/High Honor Roll

Honor Roll is recognized each semester. Students in grades 5 and 6 must have at least a 90% average of all classes for Honor Roll and a 95% average of all classes for High

Honor Roll. All-year Honor Roll is for students who achieved Honor Roll each semester. To be on High Honor Roll for the year, a student must be on High Honor Roll each semester.

Dress Code

Dress and Appearance Philosophy

Berean Baptist Academy desires to present an appearance that reflects a person who is capable of discerning appropriateness and modesty and who is prepared to work in a professional environment. The uniform/dress code is reflective of the philosophies of Berean Baptist Church and Academy. The department principals are responsible for enforcing the dress code policies approved by the Head of School. The Head of School has the final word concerning uniform/dress code policies.

The uniform/dress code applies when students are on campus during the school day, in extended care, on field trips, or at athletic activities as a student-athlete. The uniform/dress code may be relaxed for special events and activities. Students must arrive, remain, and leave school in approved attire. A student must always meet the appropriate school dress code on campus and for attendance at any school function on or off-campus. This includes summer camps and athletic practices offered on campus.

When students are allowed to wear non-uniform items, we ask parents to understand that like the U.S. Military, our professional medical community, and other organizations, we hold an appearance standard that best reflects Berean Baptist Academy and to choose clothing items wisely. If a student wears an item or any items that do not reflect Berean Baptist Academy's organizational appearance, they may be asked to change clothing or not to wear an item in the future.

General Guidelines

All Students

- Tattoos are not acceptable, whether permanent or temporary.
- Uniforms must have a proper fit.
- Shoes that have laces must be laced and tied, and all footwear must have a proper fit.
- Hats may not be worn on campus during school hours (8:00-3:15).

Jewelry:

Boys may wear one ring, such as a class ring or championship ring, on their hands. Any necklace must be worn inside the layer closest to the body and should not be seen. Boys may not have any piercings.

Ladies may wear multiple earrings (in the ears), rings, and necklaces, but no other piercings should be seen.

Hair:

Boys may have their hair extend to the bottom of a collared shirt or the top of a t-shirt. Hair may not extend past the opening of the ear. Hair should not extend into the eyes. Braided hair may be pulled back and secured with a single rubber band or similar hair device provided the hair does not extend below the collared shirt. All hair should be the natural color and remain undyed.

Ladies may dye or color their hair in the traditional shades of auburn, brunette, black, blonde, and red.

Shirts and Jackets:

All students are required to always wear a BBA shirt. Shirts must be long enough to cover the midsection when a student reaches to the top of a whiteboard to write or a shelving unit to retrieve a piece of lab equipment.

Jackets and hoodies must be in the school colors of red, black, white, or gray and cannot have any graphic designs on the front or back (to include large manufacturer logos). A small manufacturer logo may be visible on the front or back of the jacket/hoodie (normally on the right or left chest area). The hood may not be worn inside.

Pants:

Students may wear jeans provided they are free of holes, and frays, and are well fitted. Pants that expose undergarments are not acceptable and may require a belt.

Students may wear solid color, dockers style pants, shorts (provided they extend to one dollar bill width from the knee when standing or longer), or fashion joggers.

Ladies may wear solid color skirts provided they extend to one dollar bill width from the knee when standing or longer.

Shoes:

For safety reasons, shoes must be worn in a fashion that does not allow the shoes to fall off the foot and create a tripping hazard.

High heels and shoes that lack a back strap are highly ill-advised due to safety reasons. Students are required to navigate stairs and areas where moisture may be present.

It is highly recommended that all shoes have a rubber outsole that is considered slip-resistant.

Behavior Policies

Authority of the School

The school has the authority over the students from the time they arrive on campus each morning until the students depart campus at the end of the day. This includes any school-related activity regardless of time or location (i.e. sporting events).

While the school does not have authority over students outside of the school day and activities, the consequences of their conduct may extend to any occurrence which reflects adversely on the good name or reputation of the school even if an event occurs outside of school activities. Students are reminded that any faculty or staff member has the authority to correct unruly individuals at any place and at any time. Therefore, by enrolling their children, parents agree to support the school's student/behavior policies as articulated.

Student Servant Leadership

BBA is dedicated to training servant-leaders for the Kingdom of God. Therefore, we are just as committed to character development as intellectual learning—we believe both are essential parts of God's sanctifying work in the life of a disciple of Christ. For our example, the Lord Jesus modeled the ultimate servant leadership when He washed the feet of the disciples. Moreover, He modeled for us the truth that leaders lead by serving others (Mark 10:44).

Students at the Academy will be expected to serve in numerous ways. These acts of service are all designed to teach them the importance of living to help others and the importance of a solid work ethic. Students will be expected to help with a variety of age-appropriate, safe tasks to enhance and support the school. The following tasks are examples of servant leadership: the setup and takedown of chairs, tables, and other things as needed; helping other students with a newly taught concept or supporting teachers as aides; vacuuming, wiping down boards, desks, or tables; taking out the trash; making copies, organizing bookshelves, answering the phone, filing documents, or working in the office. All of these tasks are similar to the chores children would be expected to do in their homes. Parents who object to their children being in an atmosphere that stresses the biblical philosophy of servant leadership may wish to consider another school.

We believe that learning to do these tasks to the glory of God is an essential part of the students' character development and better prepares them for what God has for them in the future. This volunteer work also helps reduce the cost of operating the school and helps keep tuition at a minimum.

General Behavior Expectations

A high standard of conduct is required of each student for the purpose of maintaining order and building Christ-like character. Therefore, all students must:

- Be obedient to all classroom and school rules
- Exhibit an attitude of respect toward individuals and property
- Be honest and trustworthy
- Attend all classes daily and be on time unless appropriately excused
- Be prepared for each class
- Be properly dressed

Academic Integrity

It is expected that all homework assignments, projects, lab reports, papers, and examinations, and any other work submitted for academic credit will be the student's own. Students should always take great care to distinguish their own ideas and knowledge from information derived from sources. The term "sources" includes primary and secondary material published in print or online and information and opinions gained directly from other people. Quotations must be placed properly within quotation marks and must be cited fully. Also, all paraphrased material must be acknowledged completely. The sources must be indicated whenever ideas or facts are derived from a student's reading and research or a student's own writings.

Students must also comply with the policy on collaboration established for each course, as outlined in the course syllabus or on the course website. Policies vary among the many fields and disciplines in the Academy. They may even vary for assignments within a course. Unless otherwise stated on the syllabus or website, students must acknowledge any collaboration and its extent in all submitted work when collaboration is permitted within a course. However, students need not acknowledge discussion with others of general approaches to the assignment or proofreading assistance. If the syllabus or website does not include a collaboration policy, students may assume that collaboration in completing assignments is not permitted. Collaboration in the completion of examinations is always prohibited. The responsibility for learning the proper forms of citation lies with the individual student.

Academic Misconduct is considered conduct that undermines BBA's academic integrity and includes, but is not limited to, academic dishonesty, plagiarism, and falsification. All

such conduct is a violation of the Academy's core values of Absolute Truth and Moral Excellence.

Academic Dishonesty

Academic dishonesty involves a student's attempt to improve someone else's or their own academic standing through dishonest means. It includes, but is not limited to:

- unauthorized collaboration on any work for the course;
- using unauthorized aids of any kind;
- allowing another student to copy any portion of one's own work;
- copying from or viewing another student's work during an examination;
- collaborating during an examination/assignment with any other person by giving or receiving information without specific permission of the instructor;
- stealing, buying, receiving, selling, or transmitting coursework of any kind;
- submitting work previously used to fulfill academic requirements for any course at any institution at any level, including BBA;
- sabotaging another student's academic work;
- and/or facilitating or aiding in any act of academic dishonesty.

Any student who knowingly assists in any form of academic dishonesty will also be considered responsible, along with the student who accepts such assistance.

Plagiarism

Plagiarism is the failure to attribute others' words, ideas, or information on papers, projects, or any assignment prepared for a course. It includes, but is not limited to:

- omitting quotation marks or other conventional markings around material quoted from any source;
- paraphrasing, summarizing, or quoting a passage from a source without referencing the source;
- purchasing or acquiring material of any kind and representing it as one's own work; and
- replicating another person's work and submitting it as one's own work.

Falsification

Falsification is the misrepresentation of the truth in connection with coursework. It includes, but is not limited to:

- dishonestly answering or providing false information to the Academy;

- altering any document, correspondence, or assignment that may mislead others or distort the truth;
- citing a source that is known not to exist;
- including a source in a bibliography when the source was neither cited in the body of the student's work nor consulted;
- citing a source when it is known not to support the proposition for which it was cited;
- intentionally distorting the meaning or applicability of data;
- inventing or intentionally distorting data or statistical result; and
- falsifying online attendance and/or participation.

Reporting and Appeal Process for Academic Misconduct

The faculty and administration will use all evidence to determine if the allegation is proven by the greater weight of the evidence or determine what is more likely than not to have occurred to assign the appropriate level of sanction against a student.

The reporting procedure is as follows:

- The faculty member will confront the student within the grading seven to ten-day grading period when the suspected academic misconduct is discovered or reported. The faculty member will allow the student to respond to the alleged academic misconduct in writing. During the investigation, the student's grade will be withheld, and the grade will remain pending.
- If the faculty member determines, by a preponderance of the evidence, that academic misconduct has occurred and the student is responsible, the faculty member will file a report to the academic Principal and impose the appropriate academic sanction of a zero for the assignment.
- The faculty member will notify the student and parent/guardian via email of the decision regarding the alleged academic misconduct, the imposed sanction, and the submission of a report to the academic Principal.
- The principal will contact the student to address the incident further. The principal may impose additional sanctions consistent with the student's age, level of offense, and repetitive nature of the offense.
- The principal will notify the student and parent of the determined sanctions.

A student/parent may choose to appeal the sanction(s) imposed. That appeal process is as follows:

- The appeal must submit in written form to the Head of School within three days of receiving the notification of academic misconduct sanctions. The student's

appeal should include any supporting documents. It should clearly state the reason(s) why the student disagrees with the finding of academic misconduct and/or why the student believes the sanction imposed was inappropriate and what sanction the student believes would be appropriate.

- The Head of School will review the faculty member's and Principal's report and the student's written appeal. The Head of School may (but is not required to) consult with the faculty member, Principal, or student. The Head of School may investigate further and will notify all parties of the decision via email.
- Should any appeal result in a final decision of "no academic misconduct," a report indicating such will be forwarded to all appropriate parties, and faculty members will update the student's record accordingly. A decision of "no academic misconduct" will be considered a final academic determination and cannot be appealed.
- A decision to uphold the determination of academic misconduct is considered final and has no further appeal options.

Lockers and Reasonable Suspicion Searches

While each student's locker is considered private and off-limits to other students, we reserve the right to search any property of the student if a staff member suspects any illegal or unauthorized materials or any prohibited activities. This search may include, but is not limited to, automobiles, backpacks, purses, pockets, lockers, desks, offices, and the person. Such a search may be conducted without prior notification of the student or parents. By registering a child in Berean Baptist Academy, parents give consent to such searches.

Zero Tolerance Policies

BBA has zero tolerance for weapons, alcohol, drugs, immorality, and bullying.

Alcohol and Drugs

Berean Baptist Academy may dismiss students for involvement in any alcohol or drug related incidents. BBA does not condone social media references to these items and students who appear to be using or involved in the use of either item may be dismissed from the Academy.

Sexting and Sexual Misconduct

Sexting is the sending, receiving, or forwarding of sexually explicit messages, photos, or images via cell phone, computer, or any other digital device. Students engaged in such activities are subject to state laws and school discipline. Violation of this policy, whether on or off campus, may result in expulsion and the notification of local law enforcement.

Likewise, students engaged in physical misconduct may be dismissed from the Academy. In all cases, the parents of all parties will be notified.

Sexual Immorality

Any BBA student who is engaged in a sexually immoral relationship or who has engaged in a sexually immoral relationship during the school year will be subject to corrective action ranging from a ten-day suspension with probation to dismissal from the Academy. Students who are dismissed from the Academy will not be allowed to withdraw from the Academy with credits earned, but they will be allowed to attend summer school to recover credits for courses required for grade progression. Students who are allowed to continue attendance on probation will not be allowed to attend any off-campus events, participate in sports for one full season and any partial season (if discovered during a season), and will be removed from any offices and honor societies.

Threatening, Intimidating, or Causing Bodily Harm

These actions may fall under bullying and/or fighting. If the administration believes that the actions qualify as either bullying or fighting, then the student may receive anywhere from detentions to expulsion depending on the nature of the incident or incidents.

Weapons

Berean Baptist Academy will issue corrective discipline when students bring a firearm, training firearm, or knives to school. Students who bring a small pocket style knife or a training firearm, such as an airsoft gun or BB gun, will receive at a minimum a school suspension. Students who bring larger hunting style knives may be dismissed from the Academy. Students who bring a firearm to school will be dismissed from the Academy and local law enforcement will be contacted.

Discipline Procedures and Responsibilities

Berean Baptist Academy seeks to administer balanced discipline that promotes biblical principles and actions that glorify God. Therefore, a range of corrective actions may be utilized when disciplining students in accordance to the severity of the infraction. The severity of the correction is at the discretion of the principal and the Head of School. This means that a student may be asked to leave Berean Baptist Academy after the first offense if it is determined by members of the administration that the offense severely compromises the mission, purpose, values, or vision of the Academy.

Berean Baptist Academy currently utilizes the following categories to define discipline infractions. These categories are not an all-inclusive list and a variety of infractions may be classified under a single category. Each category holds its own range of discipline as defined below.

Discipline Categories and Demerits

Berean Baptist Academy currently utilizes the following categories to define discipline infractions. These categories are not an all-inclusive list, and a variety of infractions may be classified under a single category. The categories are grouped according to discipline severity.

Each level of demerit is the minimum a student might receive depending on the frequency or nature of the infraction when all factors are considered.

1 Demerit – Assigned by Faculty and Staff

Disobedience

Disobedience occurs when a student violates or fails to obey any lawful, general instructions or written rules in the handbook or classroom.

Disruptive Behavior

Disruptive behavior occurs when a student interrupts the normal course or unity of the classroom or school common areas. Disruptive behavior may include, but is not limited, to talking or calling out answers without permission, leaving the desk without permission, or throwing or pretending to throw objects.

Dress Code Violation

A dress code occurs when the student is not in the prescribed uniform or dress code for the day or event.

Tardy

Tardy is defined as arriving or doing something late. A student will be considered tardy when he/she is not in his/her assigned seat at the beginning of class as instructed by the teacher.

Unprepared for Class

Being unprepared is defined as not being ready to deal with something due to not having the required materials or resources to accomplish the task. In an academic setting this may include, but is not limited to, not having a notebook, writing instrument, textbook, or laptop.

2 Demerits – Assigned by Faculty and Staff – Principal Reviewed with the Teacher

Chapel Misconduct

Chapel services are treated as reverential church services by the academy. Students are expected to conduct themselves accordingly by paying attention, possessing a Bible, and staying awake. Students who are talking, do not have a Bible, or are sleeping will be considered to violate the expectations for chapel.

Deceit

Deceit is defined as behavior or speech that is intentionally meant to fool or trick someone.

Horseplay

Academic Misconduct

It is expected that all homework assignments, projects, lab reports, papers, examinations, and any other work submitted for academic credit will be the student's own. Students should always take great care to distinguish their own ideas and knowledge from information derived from sources. The term "sources" includes primary and secondary material published in print or online and information and opinions gained directly from other people. Quotations must be placed properly within quotation marks and must be cited fully. Also, all paraphrased material must be acknowledged completely. The sources must be indicated whenever ideas or facts are derived from a student's reading and research or a student's own writings.

Students must also comply with the policy on collaboration established for each course, as outlined in the course syllabus or on the course website. Policies vary among the many fields and disciplines in the Academy. They may even vary for assignments within a course. Unless otherwise stated on the syllabus or website, students must acknowledge any collaboration and its extent in all submitted work when collaboration is permitted within a course. However, students need not acknowledge discussion with others of general approaches to the assignment or proofreading assistance. If the syllabus or website does not include a collaboration policy, students may assume that collaboration in completing assignments is not permitted. Collaboration in the completion of examinations is always prohibited. The responsibility for learning the proper forms of citation lies with the individual student.

Possession of an Unauthorized Technology Device

All authorized technology must have an academic purpose or an emergency medical purpose. The Administration at Berean Baptist Academy has determined that certain devices do not meet the academic threshold. These devices would include but are not limited to, cellphones, and other technologies that possess audio recording, photography, video recording, or communication ability. These devices must be turned off and secured in the designated location as determined by their school principal

Earning Merits and Removing Demerits

Galatians 6:7-9 states, “Do not be deceived: God is not mocked, for whatever one sows, that will he also reap. For the one who sows to his own flesh will from the flesh reap corruption, but the one who sows to the Spirit will from the Spirit reap eternal life. And let us not grow weary of doing good, for in due season we will reap, if we do not give up.”

This spiritual principle declares that God will allow us to suffer the consequences of action. All discipline systems should have a two-fold purpose to correct the errant and reward the responsible. Therefore, BBA’s system awards merits to students who are committed to doing well. The objective is to create within each student the habit of caring for others, the school, their possessions, and for themselves and their future.

1 Merit

- 1 week without a demerit (Monday through Thursday/Friday)
- No late homework for one week

2-Merits

- 1 week without any tardiness or late arrivals to school
- Be awarded a Merit Slips for exemplifying core values or G.R.A.D.S.

Conduct, Activities, and Procedures

Cell Phone Usage

Students may bring their cell phones to school, but they must be turned off and secured in the student's locker or bookbag before entering the school building. Students may not use their cell phones during the school day. Students may request to use the phone in the front office. If a student has their cell phone on their person, the teacher will send the student to the front office and the principal will be notified.

Parents who need to contact their child during the school day for an emergency should call the main school phone number. School staff will assist parents in communicating with their child in appropriate emergencies. Parents should not consider their child's cell phone as a means of contacting their child for any reason during the school day.

Fundraising

Fundraisers are held to benefit the school and our families. The school receives no federal assistance, nor is it endowed or supported by any organization. Students and parents are asked not to solicit outside fundraising campaigns for the Academy.

Lost and Found

Because loose items are a tripping hazard and a fire hazard, BBA is required to pick up items left unattended, and as such, loose items are subject to a \$1 confiscation fee. Lost and found items will be stored in the Finance Manager's office. However, Lost and Found items may be discarded at the end of each week for health and sanitation reasons. Please label all clothing, books, etc. to help avoid "lost" items.

Lunch / Snack Policy

Berean Baptist Academy runs a hot lunch program. Students may either purchase lunch or bring lunch from home. On half-days there will not be a lunch break. There may also be days when students will have the opportunity to purchase special items as part of a fundraising activity or event. Parents will be notified when this occurs.

Berean Baptist Academy utilizes the FACTS Financial Management system to charge lunch fees. Students who ask for lunch, snack, drink, or other items for sale will be given the item and the parent's account will be billed. Lunch workers are not responsible for tracking who is and who is not allowed to purchase items. Parents are expected to keep track of their accounts and assume accountability for their student's spending.

Patriotism

Berean Baptist Academy endeavors to instill within our students a love and support for our country. This includes attachment to our country's land and people, admiration for its customs and traditions and devotion to its well-being. Quoting the pledges while facing the American flag, the Christian flag and the Bible is a daily requirement of all BBA students.

Reporting of Child and Sexual Abuse

Berean Baptist Academy is obligated by North Carolina law to report the reasonable suspicion of abuse. Any suspicion of child abuse must be reported to and discussed with the administration.

BBA will cooperate with local authorities during child abuse investigations. When interviews are done with a BBA student, a member of the faculty or staff will be present for the questioning.

School-sponsored Activities

The standards of conduct that are expected of students at school are expected of students during school-sponsored activities. This is true whether the activity is held during school hours or not.

A written policy regarding the supervision of students on school-sponsored, overnight activities will be followed to insure the safety of all participants. This policy will be reviewed with sponsors and student participants prior to such activities.

Socials

Berean Baptist Academy will not be responsible for any party or social event that is not officially sponsored or approved by the school administration.

Stewardship

Berean Baptist Academy is God's property. As such, respect for the appearance and care of the school is expected of all students. Sitting on desks or tables, carving and defacing desks or tables, eating in restricted areas, throwing things and littering are not permitted. Willful damage or destruction of school property will not be tolerated. All willful damage, as well as damage done by reckless behavior, must be paid for. All students should report damage to school property immediately to the school office.

Toys and Live Animals

No toys or live animals are to be brought to school without permission. Some classes will have planned "show and tell" or special days; however, permission will be granted for students to bring items that fit within given parameters for the event.

Videotaping

Berean Baptist Academy possesses videotaping equipment throughout the school property. At the discretion of the administration, videotapes may only be viewed by approved administrative personnel for either disciplinary purposes or for classroom observation.

Visitors

All visitors—whether parents, guest speakers or students—must have prior permission from the administration (at least one day in advance) and are asked to first report to the school office to sign in. Advance notice does not apply to lunch visits from parents. All visitors must meet the following criteria:

- A parent or guardian may visit who wishes to observe the classroom or has been asked by the teacher to address the class.
- A visitor to a student must be on the student account as an emergency contact or approved pick-up person and must be able to present ID at sign-in.
- A student visitor should be a student who is sincerely interested in attending the school (during the current school year or the following). Out-of-town friends may visit the school with administrative approval. Guests should limit their visits to one day.
- Visitors should be willing to meet the appearance and conduct standards set forth in this handbook.
- Visitors are asked to be as quiet as possible in the classrooms, hallways, etc.

- Visitors should not loiter in the school office, classrooms, hallways, etc.

Communication Using Technology

Every student receives an official school email account supported by Google. This email is the accepted means of communication between students and teachers. Students are expected to email their teachers with concerns, questions, and homework submissions from their school email with a proper subject line that contains their course name (Question regarding World History or World Literature: Review of A Knight's Tale). Emails that do not come from the official school email or are sent without a subject line may receive a delayed response or may be missed depending on junk mail settings. Teachers are not expected to check their junk mail. The school email will be utilized for all notifications.

Internet Policies

The computers at Berean Baptist Academy serve as a resource for enriching curriculum and learning objectives. Students will be instructed to avoid objectionable areas and will be encouraged to be responsible users. Parents are encouraged to discuss the dangers of the internet with their child.

A student wireless network is provided by BBA for educational purposes only. Content and restriction filtering protocols have been established inside the school network to mitigate access to questionable, objectionable, or illegal activities. Students should not attempt to bypass any of these safety protocols. Non-educational activities (gaming, non-instructional video streaming, social media, etc.) are not permitted during school hours from 8:00-3:00.

Under no circumstances should a student gain access to the staff network at any time. If a student accesses the staff network for any reason at any time, the student will be subject to disciplinary action.

Student E-mail and Communication Policies

Berean Baptist Academy is registered with Google as an educational institution and can provide free email accounts to our students. Parents should refrain from using their student's email to communicate with teachers. This can be a tremendous resource for communication, unlimited online storage through Google Drive, and free use of Google applications for typing documents, creating presentations, and making spreadsheets.

Technology can be a tremendous tool for learning and productivity, and the desire of Berean Baptist Academy is to help students discern the appropriate uses for technology

and equip them to use it sensibly and properly. To ensure the safe usage of technology, the following guidelines have been established.

1. E-mail accounts have been created to enhance learning inside the classroom and to increase communication between the school and students, and all email activity should be limited to this purpose only.
2. E-mail or posted messages that include inappropriate words or expressions which intend to injure, intimidate, bully, or harass others are not allowed. These prohibited behaviors include, but are not limited to, derogatory comments with respect to race, religion, gender, age, or disability.
3. Each student will create his own password. Because each student is responsible for his own email account, passwords should not be shared with any other student under any circumstances. If a student believes his password or account is compromised, he must contact administration immediately.
4. Students are not permitted to send files, pictures, videos, internet links, or music unless specifically authorized by a teacher or school administration.
5. All information related to the student e-mail account or school-owned device shall not be considered confidential and may be monitored at any time by administration. Berean Baptist Academy reserves the right to inspect student email accounts or school-owned devices at any time.
6. Students are not to subscribe to any newsletter, blog, or website using their school email account. Email accounts also shall not be used to create social media accounts.
7. Students are not to use school email accounts to promote any item or topic without administrative approval. This includes using a personal email account and sending communications to school-issued email accounts.

BBA administration reserves the right to inspect student accounts if there is suspicion that a policy has been violated. This includes but is not limited to inspecting files, videos, emails, or other related items located inside a student email account or on a school-owned technology device.

Social Media Content

Berean Baptist Academy will not monitor or require registration of any social media accounts. BBA believes it is the responsibility of parents to monitor their student's social media accounts to ensure that all content is appropriate. Any student with a social media account is responsible to monitor their accounts to ensure that no one has hacked the account and posted items that may be deemed inappropriate.

Should a student discover a post that was not posted by them, they should delete the post and contact a member of the administration (a principal or the head of school) to report

the incident. This will be considered an act of good faith that the student did not post the material. However, if no such report exists and the student account is reported for inappropriate material, the administration will deem the material as approved by the student and, depending on the nature of the material, the student may be dismissed from the Academy.

Arrival and Departure Procedures

Closed Campus

Berean Baptist Academy operates a “closed campus,” which means that only those with a viable reason for being on campus during school hours are permitted to do so. Visitors are asked not to attend practices for athletics or fine arts. In addition, students are not allowed to leave campus without administrative approval.

Parking Lot Regulations

For the safety of our students, parents, visitors, and staff, we ask that everyone observe a speed limit of 10 mph on school and church property. Never drive carelessly or recklessly on school grounds or as you approach the building. Please use designated pickup and drop off locations.

Operating Hours

Berean Baptist Academy operates classes between the hours of 8:00 am and 3:00 pm. The start time for the various school levels may vary. All students, regardless of grade level, may arrive on campus without incurring extended care fees at 7:15 am. Students who remain on campus after their 15-minute dismissal period must enter extended care or athletic practice/games.

Drop-off Procedures

Each building on the Berean Baptist Academy campus has a designated drop-off point. Please do not drop off students before reaching the drop-off point. Parents may choose to park and escort their student inside. The locations are announced during the back-to-school orientations each year.

Pickup Procedures

Pickup times and procedures are covered during the orientation period of the Back-to-School Festival. Dismissals are often staggered to help with the flow of traffic. Parents may utilize the primary designated drop-off points for pickup. Parents who wish to park

and exit their vehicles must park in a designated parking spot. *Parents may not park in the drive-through lanes. Parents who arrive more than 15-minutes prior to the pickup time may be required to move their vehicle to allow for traffic flow and school operations.*

Extended Care

BBA operates extended care hours before and after school. Students who arrive between 6am and the start of class are required to report to early care. Middle school and high school students should report to the gym. **Middle school students are expected to report to the gym.** Students arriving between 6am and 7:45am will be charged for extended care.

Students who remain on campus after their 15-minute dismissal time or are not picked up by a parent within 15 minutes after athletic practice ends will enter extended care. Likewise, students who are waiting for a practice to begin will enter extended care. Students are charged from the moment they enter extended care unless they are waiting on a sports practice to begin. Evening extended care ends at 6pm. **Students left after 6pm will be charged \$15 every 15 minutes beginning at 6:01 pm.**

Emergency Closings

In the event of an emergency on campus (fire, police, environmental, or a lockdown), parents will receive notification via text message and a detailed email with instructions for picking up children. Official notifications will be sent via the school's communication program. Please do not call the school as phone lines may be required to communicate with emergency personnel.

Weather Delays or Closings

Berean Baptist Academy will make weather related decisions concerning the school day as the need arises. Official notifications will be sent via text message and email through the school's communication program.

Student Health and Safety

Student Illness or Injury

Berean Baptist Academy allows students to call home in the event of an illness, or BBA will call for the student. Students should never contact parents directly via personal cell phones. If the situation is a medical emergency due to sickness or injury, the school will contact emergency medical personnel and then contact the parents.

Students who vomit, have diarrhea, or have a fever that does not exceed 100.4 degrees must remain out of school for 24-hours from the last instance of illness, provided they have remained fever and symptom free without the assistance of medication during that 24-hour period. BBA requests that parents respond within one hour of any notification of illness.

Berean Baptist Academy employs a school nurse to administer first aid, minor emergency care and assessments, and to liaison with medical responders when required.

COVID Related Illness or Fever

While the number of symptoms for COVID-19 continue to expand, the most predominant warning signs for COVID-19 include the following symptoms:

- Trouble breathing
- Persistent cough or fatigue
- Recurring pain or pressure in the chest
- Bluish lips or face
- Fever of 100.4 or higher

If Berean Baptist Academy has a case of COVID-19 or assumed COVID-19, we will follow current CDC guidelines.

Medication

Berean Baptist Academy will not issue over-the-counter medication to students without verbal parental consent at the time of administration. The school staff may administer prescription medicine provided there is a physician's prescription and parental consent on file, and the medication must remain in the original pharmacy labeled package containing directions and expiration date. All medications, whether prescribed or OTC, will be secured in the school office.

Some conditions such as asthma, allergic reactions, diabetes, etc., may require emergency medications. In these cases, the student may be permitted to conduct self-medication provided the student is able to demonstrate the required level of maturity, and that both a physician's and parental consent form are on file in the central office. The principal or any school designee reserves the right to intervene and discontinue self-medication when the policy or health plan is not followed.

BBA does not assume any liability for students who self-medicate without physician and parental permission or for students who fail to follow the above school policy for medication.

Asbestos

All BBA buildings have been inspected by a licensed inspector and no “asbestos containing” building materials were found.

Insurance

Accident insurance covering students while at the school or while participating in an Academy sponsored activity is provided by Berean Baptist Academy. This insurance is supplementary to personal medical insurance. The school does not accept financial responsibility for accidents occurring at the school or school functions as agreed to in the liability release form. All questions regarding claims should be directed to the Director of Finance.

Immunization

BBA follows the state mandate for student immunization, and all parents are required to submit a current shot-record or the authorized “religious objection” statement.

Lunch

BBA will serve lunch to any student who does not have a lunch. However, the student account will be charged the amount of the meal.

Vending Machines

Middle school and high school students may purchase items from the vending machines during lunch. Classroom teachers may provide other opportunities for purchases as a reward for meeting class goals.

Parent, Student, and Teacher Communication

FACTS SIS (Formerly RenWeb)

Every BBA family is required to maintain a FACTS SIS Parent Account. This account provides the school with an accurate email address for critical and routine communications. Furthermore, this account allows the parent to view their child’s grades, homework assignments, and attendance records and to receive information concerning upcoming events. Parents are encouraged to monitor student homework and grades through FACTS SIS (RenWeb) regularly.

Note that posted homework may change as a teacher needs to adjust lesson plans accordingly throughout the week. Parents are encouraged to check for updates regularly during the school week.

Parent/Teacher Conferences

Berean Baptist Academy hosts two parent/teacher conferences each school year. They are scheduled for the Friday following the close of the first and third quarters. Should a parent desire a conference outside of these times, they may email the teacher or call the school office to request a meeting. Teachers or principals may schedule a parent conference if there is a noticeable pattern detrimental to the student.

Teacher Email

BBA faculty has an official school email supported by Google. The faculty emails are firstname.lastname@bbafnc.org. Teachers are expected to communicate periodically throughout the quarter concerning special school events and major projects. Additionally, teachers are expected to return any emails within 24 hours of receiving an email, provided the email is received on a weekday. Any email sent on a weekend may have a delay in the response time.

Should you not receive a response in a timely manner, please call the school office requesting verification of receipt. If you feel that a teacher is not communicating in an adequate manner as described above, you may contact the respective department principal.

Homework and Weekend Communications

In a conscious effort to provide families with more family time, BBA will not issue email communications, except in the case of an emergency. BBA will also refrain from assigning routine homework over the weekend, but some long-term projects may need to be worked on during the weekend. The hope is that this “sabbath” provides students, families, and teachers the rest needed to perform at optimum levels during the school week.

Conflict Resolution

Procedures Berean Baptist Academy operates in alignment with the teachings of Jesus Christ concerning conflict resolution. Parents are expected to speak with the teacher or appropriate administrative office via email, phone, or in a personal conference to resolve all academic and discipline issues before seeking the assistance of the principal. If a satisfactory resolution is not reached, parents may contact the principal to mediate a meeting between the parent or administrative office and the teacher. If a satisfactory

resolution is not reached, the parent may request a meeting with the pastor or his designated representative, the principal, and the teacher or administrative office. Believing that scripture forbids Christians from seeking lawsuits against one another, all members of BBC and those placing their children in BBA agree to submit to binding arbitration in the event that any matter cannot be resolved, and expressly waive any and all rights in law and equity to bringing any civil disagreement before a court of law, except that judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. Notification of arbitration can occur sixty days (60 days) after the initial meeting to resolve the conflict.

Parent Volunteers

In conjunction with the PTO board, the Academy will maintain a list of volunteers who are willing to help the school. If you are able to volunteer and would like to be added to the list, please contact a member of the PTO board or the school office. We do require all volunteers to dress accordingly and act in accordance with the Academy's standards. All volunteers must give permission for a criminal background check to be conducted before volunteering at BBA.

Student Programs and Organizations

Athletics

Berean Baptist Academy offers middle school, junior varsity, and varsity sports depending on student participation levels. The sports that are offered for young ladies are volleyball, basketball, cheerleading, golf, soccer, and cross-country. The sports that are offered for young men are soccer, basketball, golf, baseball, and cross-country.

All athletes must maintain the eligibility requirements as outlined in the Athletic Manual. The athletic department issues this manual before each season, and it requires both parent and player signatures before competitions begin.

Fine Arts

Students are encouraged to participate in the Fine Arts program at Berean. Performance opportunities are provided to students through various school programs.

Fundraisers

Berean Baptist Academy holds fundraisers each year. These present a fun and exciting opportunity for students to demonstrate school spirit, help the school and enjoy a bit of

friendly competition. Funds raised support a specific school need. Parental participation in fundraisers is greatly encouraged and appreciated!

Yearbook

Berean Baptist Academy, in connection with the yearbook publisher, makes every attempt to have the yearbooks available in the month of May. Provided there are no delays in capturing spring events, the yearbooks should be available. If for any reason the yearbooks are not available by the end of school, parents will be notified. The yearbook staff and advisor produce the yearbook with assistance from a professional yearbook publisher. It serves as a colorful and endearing reminder of the special times and experiences that characterize students' days at Berean Baptist Academy. Parents may support the yearbook with business ads and personal congratulatory messages. Details are sent home each year regarding this opportunity.

Community Service

All grades participate in some form of community service, and all students are expected to participate in community service projects. Failure to participate in the community project may also limit their involvement in other activities such as field trips. Participation in these projects helps us to fulfill part of our mission which is to train students to serve the Lord and others.

As a school, we participate in corporate community projects. In addition to any school-wide community projects, students are expected to participate in departmental or individual class service project. Any community service projects will be communicated in advance to school families.
